Dynamic and goal-oriented Business Development Executive with **5 years** of comprehensive experience at **Business Development Professional with 5+ years of experience in B2B Sales, SaaS/PaaS Solutions and Enterprise Account Management. Proven expertise in client acquisition, strategic partnerships, multi-territory sales and revenue growth. Skilled in solution selling, key account management, product demonstrations, commercial negotiations and driving business expansion.**

PROJECT'S

1. **Merchant Loyalty Program Initiative – Delhi NCR (2025)**

Role: *Project Lead*

Features:

Designed a customer loyalty solution for 100+ merchants in high-traffic zones.

Enabled merchants to offer cashback and rewards via Magicpin wallet integration.

Resulted in 20%+ increase in customer repeat visits and over ₹15 lakh in additional sales within 60 days.

2. **GDS Integration Support and Training Project**

Role: *Business Support Coordinator*

Worked closely with the tech team to assist in the onboarding and training of agents using Global Distribution Systems (e.g., Amadeus, Galileo).
